# MASTER OF BUSINESS FINANCE

Master of Business Finance (MBF) is a specialized program two-year full-time Master's program that is developed to churn out fundamentally strong, technically equipped, and industry-ready business leaders. Designed to integrate rigorous classroom learning with ground fieldwork, the pedagogy aims to bring about the holistic grooming of our young managers. This provides them with hands-on exposure to the financial domain.

The course curriculum has been designed carefully, keeping in mind the changing demands of the industry. The curriculum is revised from time to time by a team of experts comprising renowned academicians and people from the industry. Since innovation is the key to success, many innovative courses are offered to the students.
